HEALTH INFORMATION

To stay healthy, please wash your hands regularly with soap and water and use the hand sanitizers around the ship. Should you experience any symptoms of respiratory or gastrointestinal illness, please immediately return to your cabin and notify the medical staff by phoning 4444.

SAFETY FIRST

Life jackets are in your stateroom. All guests MUST watch the safety video playing in their stateroom TV and visit their assigned muster station before departure for instructions on life jacket use and important safety information.

An electronic mustering system and/or tally counter is used to account for each guest. A safety announcement will be made prior to departure, and you do not need to go to your muster station at that time. When the signal sounds, the announcement will be over.

Safety instruction notices and muster station information is located on the placard behind your stateroom door and also in the safety information video on your TV. In the event of an emergency, instructions will be provided over the public address system.

Please contact your Stateroom Attendant or Guest Services if you need additional information or assistance.

For your safety, use handrails and watch your step as you move around the ship.

CODE OF CONDUCT

We want you to have a memorable vacation but please remember a cruise ship is a shared space. Our Carnival Values underscore that everyone should feel welcome and included, and that everyone on board demonstrate care and respect towards others and a spirit of community and neighborliness. We also expect our guests to honor our policies related to everyone's safety and well-being and to also show care and respect for our planet.

Consistent with our commitment to safety, disruptive behavior is not tolerated and any guest whose conduct affects the comfort, enjoyment, safety or well-being of other guests or crew, or who violates our code of conduct and other policies, such as our smoking in non-designated areas or throws items overboard (detailed below), will be disembarked at their own expense and banned from sailing on Carnival in the future. Any violation will result in a fine of \$500 and reimbursement of expenses incurred by Carnival as a result of the detainment or disembarkation, or replacement costs for lost or damaged property.

Smoking Policy: Smoking is not allowed in non-designated areas, including staterooms and balconies, and discharging any item overboard is prohibited. This applies to all forms of smoking, including cigarettes, cigars, pipes, vaporizers, electronic cigarettes and marijuana. Carnival recognizes that some states in the U.S. have legalized the use of recreational and/or medical marijuana. However, cruise lines are required to follow U.S. federal law, which strictly prohibits possession and use of marijuana and other illegal substances. Consequently, marijuana, including marijuana for medical purposes, and other illegal drugs, are not allowed on board.

ENVIRONMENT: Help us to be good stewards of our environment. Guests are prohibited from throwing any items overboard. Secure your belongings when outdoors. Do not leave personal items, including towels and clothing, unattended on balconies.

Be thoughtful of your water consumption and turn off the faucets when not in use. Remember to turn off the lights when leaving your stateroom.

Dress Code: You're on vacation and for the most part, casual wear is in order so you can relax and have fun. In line with our community guidelines, all guests are expected to ensure their clothing and accessories are respectful to fellow guests. Swimsuits look great in the pool, but when in any of our indoor spaces, including dining areas, guests are asked to wear a cover up and shoes. Items worn during the cruise should not contain any message that may be considered offensive or contain nudity, profanity, sexual innuendo/suggestions. In addition, clothing/accessories should not promote negative ethnic or racial, commentary, or hatred or violence in any form.

Evening Restaurant Attire

Cruise Casual: You'll love the casual, resort-style vibe!

Enjoy dinner in your comfiest vacation dining wear, but please note cut-off jeans, men's sleeveless shirts, gym or basketball shorts, baseball hats, flip-flops and bathing suit attire are not allowed in our restaurants.

Cruise Elegant: Ooh-la-la! It's fun to get all dressed up on vacation so feel free to put on your finest attire for the evening. We know you'll look totally swanky, but please note that the following attire is not allowed in the restaurants: jeans, men's sleeveless shirts, shorts, t-shirts, sportswear, baseball hats, flip-flops and bathing suit attire.

Check the Carnival HUB app daily for specifications.

Age Restriction: Guests must be 21 years or older to be served alcohol on board, and 18 years or older to play in the casino or enter the nightclub. Photo identification may be required in the nightclub. Certain venues & pools have additional age restrictions, listed in the Carnival HUB app.

Youth Curfew: Guests 17 years of age and under who are not accompanied by an adult must be clear of all public areas by 1:00am.
