Going Ashore in Grand Turk

We will be using new facial recognition machines to scan you on and off the ship today with the goal of reducing lines and wait times. We appreciate your patience as our crew learn this new process. When going ashore, you will still need to carry your stateroom keycard and a government issued photo ID.

Beach Towels

We've provided blue and white beach towels in your stateroom that you are welcome to take ashore. Please remember to return these beach towels to your room to avoid additional charges to your onboard account.
