

### WELCOME

Welcome to Splash Academy!  
Our "Seals" program is specifically designed for children 6-9 years old. Supervised by our certified and energetic staff, your children will explore and engage in lots of activities with kids their own age. Themed arts & crafts, board games, video games, sports and more are just some of the many complimentary activities your children can experience. So while you're enjoying a bite to eat, a relaxing massage or even a little shopping, you can be certain your kids are having fun in a safe and family-friendly environment.
