## EXPLORE NASSAU, BAHAMAS

A popular cruise-ship stop, the city has a hilly landscape and is known for its beaches as well as its offshore coral reefs, popular for diving and snorkeling. It retains many of its typical pastel-colored British colonial buildings, like the pink-hued Government House. Atlantis on Paradise Island is the most popular resort destination in the Bahamas featuring the world's largest open-air marine habitat and the largest casino in the Caribbean.

**TIP OF THE DAY:** Navigational Information can be seen on your stateroom television, Channel 21.

## TAKE HOME A STORY

Whether you're drawn to beautiful scenery, fascinated by history or craving adventure, take home a story of your own on an exciting shore excursion.

### WHEN GOING ASHORE IN NASSAU

With the recent security threats and incidents around the world, it is absolutely imperative that you take a Government Issued photo I.D. (18+), when going ashore, along with your Freestyle Key Cards. Photocopies of the I.D.s are not acceptable. Adults traveling with children must provide a Passport or Birth Certificate for each child. Young children must remain with their Parents/Guardians when going through the Security Check Points. Failure to do this will incur delays for being allowed to pass through to the ships. Those persons without I.D. will have to wait for a Port Security Official to escort them to their Ship where they will wait for verification that they are confirmed as guests of that ship.

### TOP FIVE SHORE EXCURSIONS

- Atlantis Aquaventure
- Discover Nassau by Land & Sea
- Blue Lagoon Beach Day
- Discover Atlantis
- Charm & Beauty of the Bahamas

### HOW TO BOOK A SHORE EXCURSION

- Interactive TV in your stateroom
- Touchscreen throughout the ship
- Cruise Norwegian App
- 24 hours Drop Box (located at the Shore Excursion Desk, Atrium)

### IMPORTANT SAFETY INFORMATION

Please be advised that the U.S. Embassy recently published a safety warning for the Bahamas due to an increase in crime against tourists, such as robbery of personal items. Visitors to the Bahamas, like visitors to all foreign countries in the world today, need to be mindful of their personal safety. We recommend that guests not venture too far from tourist areas or in the alternative consider participating in an organized tour. Also, to lower your risk of being a victim of petty theft or crimes, please consider leaving valuables and irreplaceable items in your stateroom. We suggest you avoid wearing expensive jewelry, carry only the cash or credit cards that you will need on each outing and keep your belongings secure and out of sight. This common sense approach and heightened level of awareness will help you enjoy your visit today. Please ensure to carry any photo identification and your Freestyle Card when heading out to ashore.

### FAMILY MEXICAN DINNER & O'SHEEHAN'S SPECIAL
