

### WELCOME

Welcome to Splash Academy!  
Our "Entourage" program is specifically designed for children 13-17 years old. Supervised by our certified and energetic staff, your teens will explore and engage in lots of activities with teens their own age. In this program, teens get to enjoy their very own lounge area where they can hang out, make friends and join in some of the many activities available for them. From trivia, movies and video games to themed parties, music and sports, there's plenty to do! And the best part, it's all complimentary.
