**NOTICE TO PARENTS**  
Safety of Children in an Emergency.  
Please read the following carefully as it  
concerns your child's safety.

On behalf of all the Staff onboard  
the Emerald Princess,  
we hope you had a great cruise!  
Thank you for sailing with us!

- 1) If you hear Crew Alert, which is THE CONTINUOUS RINGING OF THE SHIP'S ALARM and your children are in the Youth Center or at a youth activity, please proceed straight away to the Youth Center (Deck 17 Aft), or other designated area and collect them.

If this signal is sounded while you are attending an organized youth event with your children, they will be handed back to your care. At this stage there is nothing further required of you.

Teenagers ages 13+ will be sent back to their cabins if they are comfortable to leave. Otherwise they will remain supervised in the Youth Center.

- 2) If you hear the General Emergency Alarm, which is SEVEN OR MORE SHORT RINGS FOLLOWED BY ONE LONG RING ON THE ALARM BELLS and SHIP'S WHISTLE and you have not yet picked up your children, please proceed to your MUSTER STATION and your children will be brought to you.
- 3) If it is necessary to Abandon Ship and you have not collected your children as in '1' above or at your Muster Station as in '2' above, your children will be evacuated and looked after by the Youth Staff until you can be reunited.

### SAFETY WRISTBANDS
