HEALTH AND SAFETY INFORMATION

Safety: We ask that you familiarize yourself with the safety routine onboard and your Assembly Station. Take a minute to watch our safety video on your stateroom TV on Channel 41.

Youth Evacuation Wristbands Parents please ensure that your child is issued a Youth Evacuation Wristband and they wear it for the duration of the cruise vacation. In the unlikely event of an emergency, do not go to Adventure Ocean as your child(ren) will already be en route with staff to meet you at your assembly station.

Health Advisory: Diseases Spread by Mosquito: To reduce the risk of contracting diseases spread by mosquito, including Zika, Malaria, Dengue Fever, Chikungunya and others, take precautions to avoid mosquito bites by remaining in screened or air conditioned areas when possible, by wearing clothing that covers the arms and legs, and by applying insect repellent to both skin and clothing. The most effective repellents contain DEET at a concentration of 20-30%. Mosquito repellent can be purchased in the ship's gift shop or medical facility.

Food Advisory: Consuming raw or undercooked meats, seafood, shellfish, eggs, milk, or poultry may increase your risk of food borne illness, especially if you have certain medical conditions.

Body Camera: For the safety and well-being of all persons onboard, some members of our Security Team will be wearing Body Cameras as part of their uniform.

QUESTIONS?

Check the digital signage onboard for information on activities and events. You can also tune in to your TV or ask a crew member.
